Toast the holidays with mimosas, dine on The Manor House's renowned Signature Buffet Breakfast, take photos with Santa, and enjoy bubbles, games, face painting, arts & crafts, prizes, and a silent auction.

This event supports the launch of the Kidsave Texas Weekend Miracles program, which will help older foster youth, ages 9 to 17, find loving parents and connections with lifelong mentors to provide the support they need for a successful future. Kidsave's Weekend Miracles program builds capacity for 9 to 17-year-olds to find permanency using our proprietary host family visit model and creates an organic, kid-centric, proven path to stable, loving, lifelong connections for the more than 1,200 kids in care who typically age-out without a support system in Texas every year.
