Your Support Can Change a CHILD'S LIFE

Bring the real possibility of family to older children in foster care. You can empower a child with a voice and a choice in who they get to know and who becomes their forever family. Kidsave creates opportunities for kids to connect with caring adult mentors and potential adoptive parents. **Our programs work: 80 percent of our kids find a permanent connection.**

The urgency is real. Having a family enables a child to attend and complete school, find a good job, develop their skills and talents, and raise their own successful families. You can create a real future for these children and unlock their potential to soar in life.

PRESENTING SPONSOR - \$1,000

Show your trivia spirit with a gift of \$1,000. This level of sponsorship helps support weekend events where people get to know older foster kids and begin to form connections that lead to year-long commitments and often, life-long matches. In 2020, Kidsave converted in-person events into 78 virtual ones and kept the connections happening!

GOLD SPONSOR - \$500

A gift of \$500 sets the scene for older kids to find families through our online resources. This gift shines a light on older children in need of a family by featuring them on Kidsave's website where they are no longer hidden to the world but have a real chance of finding that longed-for, loving family and a place to call home.

SILVER SPONSOR - \$250

A gift of \$250 helps transform caring adults into caring "hosts" who learn how to bring their best selves to the most fulfilling job there is -- being a mentor, life-long friend, or parent to an older foster child.
