KIDSAVE

Palos Verdes Golf Club

The architects used the natural terrain, barrancas, creeks, and hills while taking into account the prevailing westerly ocean breezes. The small greens, extensive bunkering, and narrow fairways with strategically designed landing areas make the course a challenge for golfers of all levels.

Break out your clubs and hit the links! Kidsave's Annual MiracleMakers Golf Classic is back, and with a change of scenery!

This year we will be playing at the fantastic Palos Verdes Golf Club, which is located less than a mile off the Southern California coast. This course is sure to give you and your fellow golfers a challenge.

The tournament will feature all the elements you love. Shotgun start, on course challenges and entertainment, as well as great food and drinks. We will finish with a cocktail event, awards ceremony and auction open to all our sponsors, players, and your invited guests at no additional charge, so feel free to invite colleagues and friends to join you at 4:30 PM.

Become a Champion and MiracleMaker for older kids and teens so they can find their forever family!

Kidsave is a champion for older, forgotten kids in foster care, helping them be seen, find families, and thrive. Since 1999, Kidsave's innovative Family Visit Model has helped more than 14,500 older kids in foster care and orphanages to find families and lasting connections. Working in partnership with governments and local nonprofits, Kidsave's model inspires communities to become part of the solution and is at work on four continents.

Be a champion for older kids in care. Spread the word, lend a hand, or become a mentor, a host or adoptive family. Let's give all kids, everywhere the chance to form meaningful, trusting and lasting connections and find forever families.
